

ENQUIRIES: STEVEN TYSAR
PROJECT NO: 28504-SYD-E

12 April 2016

Tonkin Zulaikha Greer Pty Ltd
117 Reservoir Street
SURRY HILLS NSW 2010
Attention: Mr Jarrod Hughes

Dear Jarrod

**RE: O'CONNELL STREET PRIMARY SCHOOL, PARRAMATTA
ELECTRICAL SITE INFRASTRUCTURE**

Electricity Supply

The site is supplied from a Endeavour Energy Substation located off Marist Place.

An application has been submitted and approved from Endeavour energy for the provision of upto 600Amp supply from the existing substation.

Telecommunication Services

There are existing Telstra incoming Copper and Fibre optic services to the building A and B on the site, it is intended to reuse these services as there is sufficient capacity in these to serve the school site.

These incoming services will be distributed through the site via new underground and through building connections.

Yours faithfully

Steven Tysar

SURRY HILLS NSW 2010
Attention: Mr Jarrod Hughes

Dear Jarrod

**RE: O'CONNELL STREET PRIMARY SCHOOL, PARRAMATTA
HYDRAULIC SITE INFRASTRUCTURE**

Water Supply and Sewer drainage

The proposed development is supplied with a 225mm water main located on O'Connell street and a 300mm sewer main. Based on the anticipated load calculated, we believe the existing infrastructure is capable of being of adequate capacity.

It should be noted that prior to a proposal development being submitted for DA, a formal response from the authority cannot be received.

Upon submission of the DA, WGE will lodge a formal request for the Notice of Requirements to Sydney water.

We trust this meets your current requirements. Please do not hesitate to contact us if you require any further assistance.

Yours faithfully

Houman Tamaddon
