Dear Mr Green,

Re: New O'Connell Street Public School at 3 Marist Place & 24 O'Connell Street, PARRAMATTA NSW 2150 (SSD 7372 MOD 2)

Thank you for the opportunity to comment on the amended plans, for an extension to the existing plant platform on the roof of Building B and the addition of solar panels to the roof of the new school hall.

Council welcomes the reduction of the plant platform especially when viewed from the eastern elevation and appreciates that our previous comments raised in our submission on the 31st of July 2017 have been addressed.

As a result, Council has no further objections in relation to this modification application.

Yours sincerely,

Myfanwy McNally
