Hi Simon

For the footpath dimensions, the northern dimension you requested is 2.12 metres, and the southern dimension is 4.25 metres.

The landscapers have been asked about the palm numbers.

The plantation at the western public domain is palms – see attached.

**Subject:** Clarification

Hi Robert,

As discussed, are you able to confirm the following as per the marked up plan:

- the footpath dimensions at the eastern public domain as marked;
- number of palm trees to be relocated; and
- the type of plantation at the western public domain.

Regards
