To Geoff,

Re: The Ribbon Section 96 Statement for Cycling Facilities

As the ESD consultant on The Ribbon, Cundall's scope includes Green Star Consulting Services to assist in the delivery of a certified 5-Star rating under the Green Star Design & As-Built v1.1 rating tool for the The Ribbon project.

The Green Star rating boundary for the project excludes the SHFA building and therefore the SHFA building design has no impact on the Green Star credit for The Ribbon bicycle parking provisions (Credit 17).

Should you have any queries, please contact the undersigned.

Yours sincerely,

For and on behalf of Cundall
