WEST CHATSWOOD NSW 1515

Weston Aluminium - Development Application Landowners Consent

AECOM Australia Pty Ltd (AECOM) is acting on the behalf of Weston Aluminium Pty Limited (WA) in regards to the following development applications:

- State Significant Development (SSD_7396) application for a Medical and other Waste Processing Facility; and
- Modifications to DA 86-04-01, and DA 10397 of 1995 for the processing of Spent Pot Lining.

Landholdings subject to the development consent and modification application

The WA site is located at 129 Mitchell Avenue, Kurri Kurri (Lot 796 DP 39877), which is owned by WA.

Requirement for Landowner Consent

Clause 49(1)(b) of the *Environmental Planning and Assessment Regulation 2000* requires WA to provide landowners consent when it submits the development application for either of the above projects at 129 Mitchell Avenue.

AECOM therefore requests WA to endorse and return this request for landowner consent under clause 49(1).

As owner(s) of the land to which this application relates, I/we consent to these applications being made.
