

30 March 2018

Mr Bassam Aflak
Ecove Site 9 Pty Limited
Cnr Australia Ave & Herb Elliott Ave
SYDNEY OLYMPIC PARK NSW 2037

Dear Bassam,

Site 9 – Project Delivery Agreement – Relocation of Substation Kiosks

I refer to your request to relocate the Substation Kiosks (**Kiosks**) from within the proposed premises to an alternate location outside of the proposed premises.

Further to our previous discussions involving Ausgrid, SOPA and the Developer, I can confirm that SOPA consents to the proposed relocation of the Kiosks subject to the following provisions:

1. The Kiosks are co-located adjacent to the existing kiosk adjacent to P3 Car Park.
2. Ausgrid approval of the proposal (we understand Ausgrid has provided approval).
3. The Developer meets the costs of preparation and registration of an appropriate Plan of Subdivision and Plan of Easement as required by Ausgrid and SOPA.
4. Appropriate screening (to the satisfaction of Ausgrid and SOPA) is installed to minimise the visual impact of the Kiosks.
5. The Developer provides supplementary landscape treatments (to the satisfaction of SOPA) to improve and enhance pedestrian amenity for patrons of P3 Car Park wishing to access Olympic Boulevard via the through site link.

Please contact me on 9714 7358, should you require any further assistance.

Yours sincerely

Ben Woods
Director, Property Development
