This architectural rendering shows the UNSW building, a tall structure with a copper-clad facade. The building features a prominent glass-enclosed staircase on its corner. Numbered callouts identify specific architectural elements: 01 points to the copper cladding on the main facade and the upper part of the staircase; 02 points to the glass panels of the staircase; 03 points to the ground level; 04 points to the street level; 05 points to the sidewalk; 06 points to the glass panels of the staircase; and 07 points to the glass panels of the staircase.
