Vickery Coal: Traffic Management Plan

Dear Mr. Dwyer

Thank you for submitting the Traffic Management Plan to the Department in accordance with Condition B86, Schedule 2 of the consent for the Vickery Coal (SSD-7480). I also acknowledge your response to the Department's review comments and request for additional information.

I note the Traffic Management Plan has been prepared in consultation with Transport for NSW, Gunnedah Shire Council and Narrabri Shire Council, and contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Traffic Management Plan (Rev.3 number, October 2022).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
