

Mr Adrian Topping
Design Director
Built Pty Ltd
Level 7, 343 George Street
Sydney, NSW, 2000

16/12/2020

Dear Mr Topping

Sandstone Precinct - Stage 2 (SSD 7484)
Condition B7 – Education Building curved glass bays

I refer to your letter dated 2 December 2020 providing plans/details in relation to the curved glass bays of the Education Building in accordance with Condition B7 of the above approval.

The Department has carefully reviewed the documentation and plans listed in **Attachment 1** and is satisfied that it addresses the requirements of Condition B7 as the glass corners retain a curved form and prototypes have been designed in consultation with City of Sydney Council and Heritage NSW.

Accordingly, as the Planning Secretary's nominee, I advise that Condition B7 is satisfied.

Should you have any further questions, please contact Marcus Jennejohn, Senior Planning Officer, Key Sites Assessments, at the Department on (02) 8289 6798 or via email at marcus.jennejohn@planning.nsw.gov.au

Yours sincerely

Anthony Witherdin
Director
Key Sites Assessments

Attachment 1 – Documentation submitted to satisfy Condition B7
