Good afternoon Ms Craigie

Thank you for forwarding the response to submissions report to FRNSW for review.

I have reviewed the report and also the proponent's response in not objecting to the imposition of conditions of approval that align with FRNSW original recommendations.

On the basis of the above, we advise that we do not have any additional comment and reiterate the recommendations we provided to the Department in our original submission.

Regards

Station Officer Mark Castelli
Team Leader
Fire Safety Assessment Unit
