Dear Mr Berney

**Minto Warehouse & Logistics Hub (SSD-7500)
Waste Management Plan**

I refer to the **Waste Management Plan** (WMP) which was submitted in accordance with Condition B30 of Schedule 2 of the consent for the Minto Warehouse & Logistics Hub (SSD-7500).

In accordance with the Planning Secretary's approval on 1 March 2022 which permitted the staged submission of management plans, I understand this WMP relates to Stage 1 of the construction program. The Department of Planning and Environment has carefully reviewed the document and is satisfied that it addresses the requirements of Condition B30 for Stage 1 works only.

Accordingly, the Planning Secretary has approved the WMP prepared by MRA Consulting Group (Revision 1.2, dated 11 February 2022).

Please note, as required by Condition B30, the WMP must form part of the any future Construction Environmental Management Plan, as required by Condition C1.

If you wish to discuss the matter further, please contact Thomas Bertwistle on 02 8275 1025 or via email at thomas.bertwistle@planning.nsw.gov.au.

Yours sincerely
