The site plan illustrates the layout of the Sydney Church of England Grammar School. Key features include:

- Sports Fields:** Three large rectangular fields at the top, each with a goalpost. Below them are three smaller rectangular fields, also with goalposts.
- Playgrounds:** Several irregularly shaped playground areas are scattered throughout the site, some with internal markings.
- Surrounding Infrastructure:** The school is bordered by a road on the left, a fence on the top, and a concrete wall on the right. A large area of rough ground or undeveloped land is shown on the right side of the plan.
- Annotations:** Numerous labels are present, including "SYDNEY CHURCH OF ENGLAND GRAMMAR SCHOOL", "CONCRETE", "FENCE", "ROUGH GROUND", "GOALPOST", and various alphanumeric codes (e.g., "P1-01", "P2-01", "P3-01", "P4-01", "P5-01", "P6-01", "P7-01", "P8-01", "P9-01", "P10-01", "P11-01", "P12-01", "P13-01", "P14-01", "P15-01", "P16-01", "P17-01", "P18-01", "P19-01", "P20-01", "P21-01", "P22-01", "P23-01", "P24-01", "P25-01", "P26-01", "P27-01", "P28-01", "P29-01", "P30-01", "P31-01", "P32-01", "P33-01", "P34-01", "P35-01", "P36-01", "P37-01", "P38-01", "P39-01", "P40-01", "P41-01", "P42-01", "P43-01", "P44-01", "P45-01", "P46-01", "P47-01", "P48-01", "P49-01", "P50-01", "P51-01", "P52-01", "P53-01", "P54-01", "P55-01", "P56-01", "P57-01", "P58-01", "P59-01", "P60-01", "P61-01", "P62-01", "P63-01", "P64-01", "P65-01", "P66-01", "P67-01", "P68-01", "P69-01", "P70-01", "P71-01", "P72-01", "P73-01", "P74-01", "P75-01", "P76-01", "P77-01", "P78-01", "P79-01", "P80-01", "P81-01", "P82-01", "P83-01", "P84-01", "P85-01", "P86-01", "P87-01", "P88-01", "P89-01", "P90-01", "P91-01", "P92-01", "P93-01", "P94-01", "P95-01", "P96-01", "P97-01", "P98-01", "P99-01", "P100-01").

In response to Item 2 in the landscape comments from North Sydney Council (Retention of tree 93).

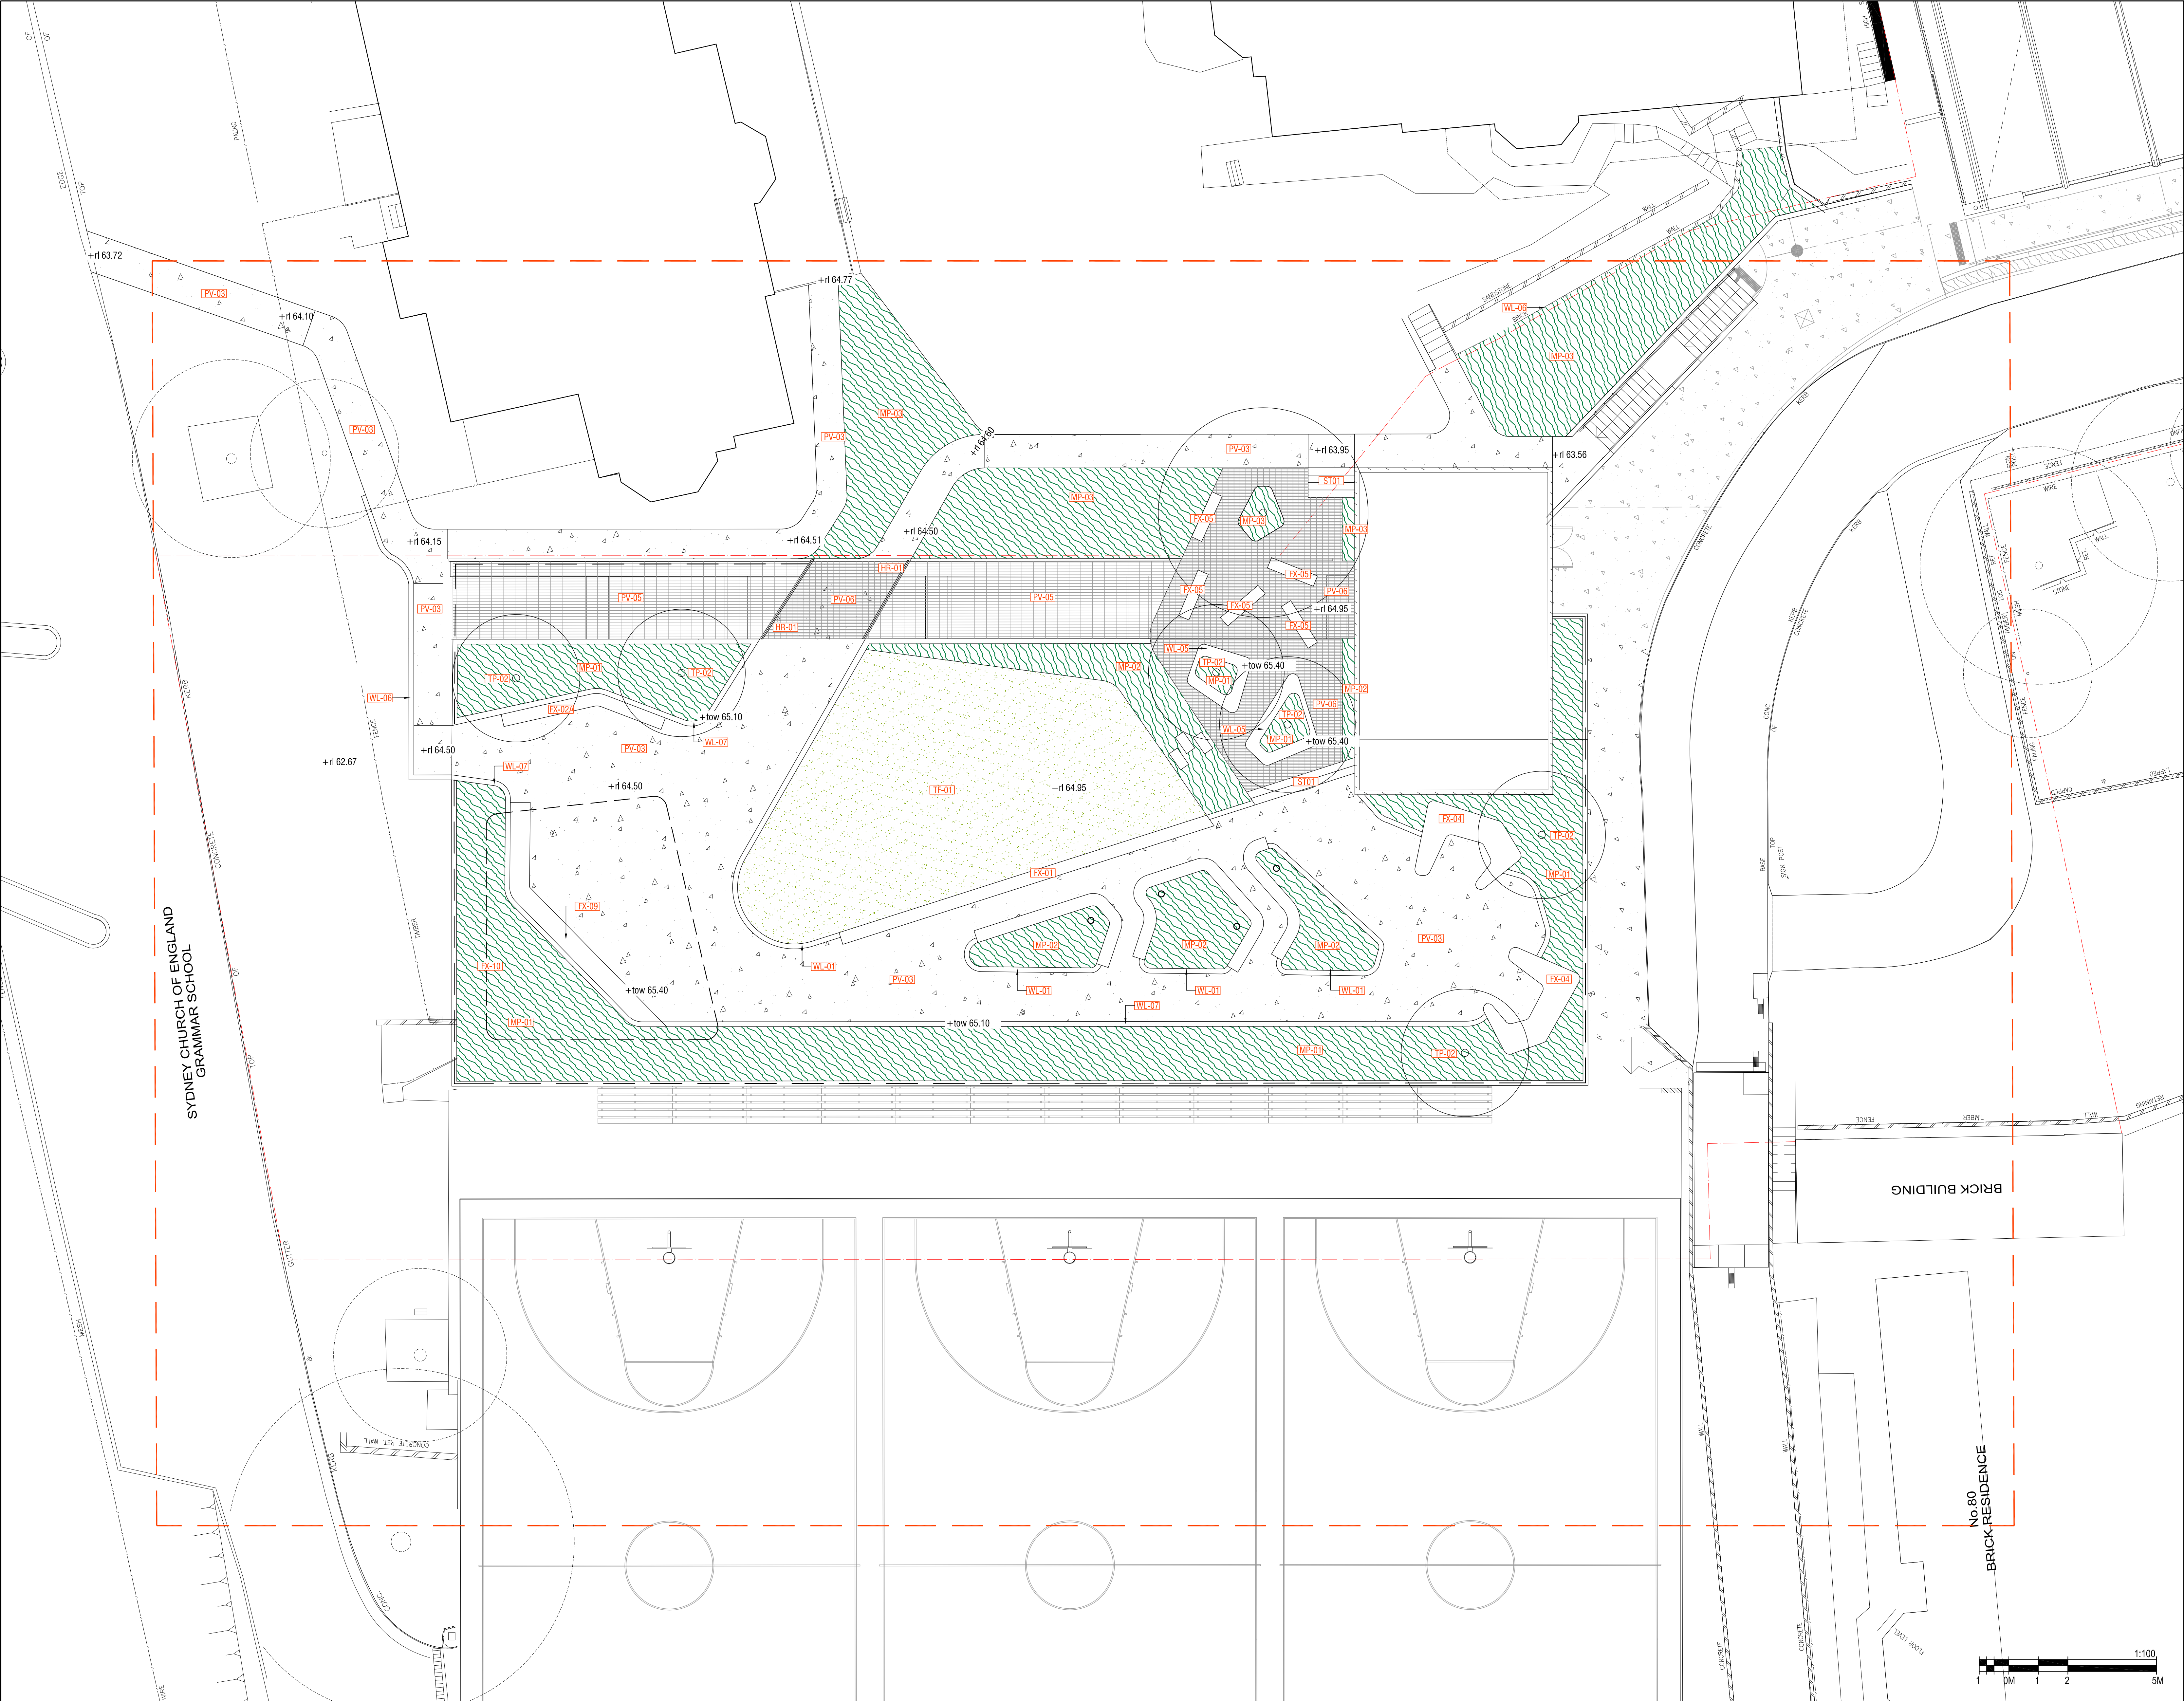

In order to replace the tree we have redesigned the rooftop carpark to include a floating garden that will celebrate new tree planting. We propose to replace Tree 93 with another *Corymbia maculata*. We have also aimed to introduce more tree planting on the rooftop itself to mitigate some of the tree losses elsewhere as a result of the new development.

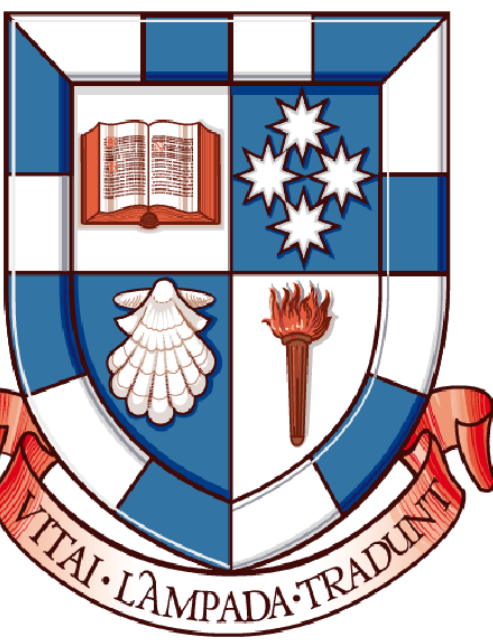

EXISTING TREE TO BE
RETAINED

TREE 93 REPLACEMENT
Corymbia maculata

PROPOSED TREE
Backhousia citriodora

PROPOSED TREE
Corymbia 'Summer Beauty'
