Subject: Air Quality Management Plan for Broken Hill North Mine

Dear Mr Hender

I refer to your request for approval of the Air Quality Management Plan (Revision J.3, dated June 2022).

I note the Air Quality Management Plan has been prepared in consultation with the NSW EPA and NSW Health (on previous revisions) and contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Air Quality Management Plan (Revision J.3, dated June 2022).

You are reminded that if there are any inconsistencies between the approved document and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Emily Murray on 02 8837 6041.

Yours sincerely
