Broken Hill North Mine SSD 7538: Management Plan Review

Dear Mr Ukpong

I refer to your submission dated 25 May 2024, proposing timeframes and consultation requirements for the submission of management plans following the Independent Environmental Audit on 6 March 2024. I also acknowledge that the actions presented in Table A result from the Independent Environmental Audit in April 2024.

Accordingly, the Department has carefully reviewed the information and the Independent Environmental Audit: Perilya North Mine, State Significant Development SSD 7538 (MOD 3), dated 6 March 2024.

I can confirm the approach for the:

- Lead Monitoring and Education Program,
- Transport Management Plan,
- Aboriginal Heritage Protocol,
- Rehabilitation Strategy, and
- Environmental Management Strategy

These documents are to be submitted in line with Table A of your letter.

The remaining documents, in accordance with condition 6, schedule 4, are to be submitted to the Department as listed in Table 1 below:
