Dear Mr Robinson

### **SSD17\_8636 Engineering & Technology Precinct - Conditions**

I refer to your letter dated 16 July 2019 regarding the process to satisfy development contribution condition B50(b) of SSD17\_8636 Engineering & Technology Precinct.

I confirm that staff from the City and the University have commenced discussions to identify a set of agreed public domain work on public land near the campus, and for this work to address the development contribution condition of consent arising from the Redfern-Waterloo Contributions Plan.

I acknowledge that it is unlikely that this work will be completed before the current timeframe of 14 August 2019. The City therefore supports your request to seek to have the timeframe for Condition B50(b) extended to 28 February 2020.

If you have any questions or require additional information please contact Greg Longmuir, Planning Agreement Coordinator on 9246 7591 or [glongmuir@cityofsydney.nsw.gov.au](mailto:glongmuir@cityofsydney.nsw.gov.au).

Yours sincerely
