Dear Ms Macdonald,

RE: Response to Submissions for the Proposed Warehouse/Distribution and Industrial Facility in Fairfield Local Government Area (SSD 7564).

Thank you for your letter dated 3 August 2016 requesting formal comments from the Heritage Division regarding the above mentioned proposal.

The Heritage Division of the Office of Environment and Heritage (OEH), as delegate of the Heritage Council of NSW, has reviewed the responses and notes that the applicant did not respond to the Heritage Division's submission because no objection was raised. However it is our suggestion that the following condition be used:

"If historical archaeological deposits or Aboriginal objects are discovered during works, work must immediately cease in the affected area(s) and a suitably qualified and experienced archaeologist must be contacted to assess the finds. Additional assessment and approval may be required prior to works continuing in the affected area(s) based on the nature of the discovery."

If you have any further enquiries regarding this matter, please contact Bronwyn Smith, Heritage Assessment Officer, Heritage Division, Office of Environment and Heritage, on (02) 9873 8604 or via email to bronwyn.smith@environment.nsw.gov.au

Yours sincerely
