Subject: Springvale Water Treatment Project – Water Management Plan

Dear Ms. Gardiner,

I refer to the Water Management Plan (rev. 18, 27 February 2025) submitted in accordance with condition 4, Schedule 3 and condition 4, Schedule 4 of the development consent for the Springvale Water Treatment Project (SSD 7592).

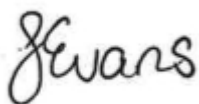

The Department notes that this revision was undertaken following submission of the Annual Review and no changes have been made to the document. The Department is satisfied that it meets the requirements of the relevant conditions in consent (SSD-7592) and accordingly, as nominee of the Planning Secretary, I approve the Water Management Plan (rev. 18, 27 February 2025).

I also note that a further revision of the Water Management Plan will be provided to address changes to the consent through Modification 11.

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Emily Pemberton on [emily.pemberton@dpie.nsw.gov.au](mailto:emily.pemberton@dpie.nsw.gov.au).

Yours sincerely

Jessie Evans  
Director, Resource Assessments
