Subject: Springvale Water Treatment Plant - Operational Environmental Management Plan

Dear Ms Gardiner

I refer to the Springvale MPPS Water Treatment Plant Operational Environmental Management Plan (Rev. 12, 10 April 2025) submitted in accordance with condition 1, Schedule 4 and condition 4, Schedule 4 of the development consent for the Springvale Water Treatment Project (SSD 7592).

I note the plan has been reviewed following an incident and approval of Modification 11 to SSD 7592 and no changes have been made to the document. The Department is satisfied that it meets the requirements of the relevant conditions in SSD-7592 and accordingly, as nominee of the Planning Secretary, I approve the Operational Environmental Management Plan (Rev. 12, 10 April 2025).

You are reminded that if there are any inconsistencies between the plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Gabrielle Allan on 02 9585 6078.

Yours sincerely
