Subject: Springvale Water Treatment Facility OEMP 2026

Dear Ms Gardiner,

I refer to the submitted Springvale Water Treatment Facility (WTF) Operational Environmental Management Plan (OEMP) 2026 (Revision 14.0, 6 March 2026), which is in accordance with Condition 1, Schedule 4 of the development consent for the Springvale Water Treatment Project (SSD 7592).

I note the Springvale SWTF OEMP 2026 contains the information required by the conditions of approval.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions in consent (SSD 7592).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Hugh Shouldice on 02 9995 5649

Yours sincerely

Director
Energy and Resource Assessments

As nominee of the Planning Secretary
