Enquiry details:

Sir Madam Having just received a notice by the Resident Action Group of Cumberland Council, I am alarmed by this development which goes beyond the height permitted by council at Lidcombe. As a resident of Lidcombe, I already have to bypass Lidcombe for shopping and transport due to overcrowding on our infrastructure. The main streets are already clogged with traffic and it's only getting worse. Parking is a nightmare. The station exits are unable to cope when commuters exit from arriving trains. Also Dooley's Catholic club is notorious for its large gaming facilities. This development is financed by and will enhance its poker machines operations. Dooley's is primed to overshadow other businesses that do not have its financial muscle. I'd like to see greater business competition and not have smaller operators reduced or driven out of business. Please advise on my complaint. Forward to the relevant local or state government officers. Regards
