**Moorebank Intermodal Precinct East – Stage 2 (SSD-7628)**  
**Revised Biannual Trip Origin and Destination Report, Condition B28**

---

I refer to the revised Biannual Trip Origin and Destination Report (BTODR) submitted to the Department under condition B28 of SSD-7628.

I note there was an error with the survey details in the previous BTODR, Rev 3 dated 3 June 2024, which was acknowledged by the Department on 27 June 2024 under PA-255. The error has now been rectified in the revised BTODR, Rev 4 dated 29 July 2024.

Accordingly, the Department has filed the revised BTODR, Rev 4 dated 29 July 2024, for our information under condition B28 of SSD-7628.

Please make the revised BTODR available for public access on the project website as soon as possible.

You are reminded that if there are any inconsistencies between the revised BTODR and the conditions of consent, the conditions will prevail.

If you have any questions, please contact Matt Wood at [matthew.wood@dphi.nsw.gov.au](mailto:matthew.wood@dphi.nsw.gov.au).

Yours sincerely
