Moorebank Intermodal Precinct East - Stage 2 (SSD-7628)
Revised Construction Environmental Management Plan, Condition C9

Dear Mr Johnson

I refer to the revised Construction Environmental Management Plan (CEMP) submitted to the Planning Secretary under condition C9 of SSD-7628.

I note the revised CEMP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been updated due to an annual review, Modification 5 determination, 3 Request for Minor Amendment (RfMA), and other administrative changes;
- was endorsed by the project's Environmental Representative as being consistent with the relevant consent requirements; and
- contains the information required by condition C1.

Also, I note the Applicant has submitted specific revised management plans under separate post approval submissions for the Department approval.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the revised Construction Environmental Management Plan, Revision 019 dated 3 December 2024, is prepared as per condition C9 of SSD-7628.

Please note that if there are any inconsistencies between the approved revised CEMP and the conditions of consent, the conditions will prevail.

Also, please make the approved revised CEMP including this letter available for public access on the project website at the earliest convenience.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely

Shiraz Ahmed
