Moorebank Intermodal Precinct East - Stage 2 (SSD-7628)
Revised Community Communication Strategy, Condition C9

Dear Mr Johnson

I refer to the revised Community Communication Strategy (CCS) submitted to the Planning Secretary under condition C9 of SSD-7628.

I note the revised CCS:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been updated due to Modification 5 determination, a Request for Minor Amendment (RfMA), and administrative changes;
- was endorsed by the project's Environmental Representative as being consistent with the relevant consent requirements; and
- contains the information required by condition B155.

Accordingly, as nominee of the Planning Secretary, I am satisfied that the revised Community Communication Strategy, Revision 12 dated 3 December 2024, is prepared as per condition C9 of SSD-7628.

Please note that if there are any inconsistencies between the approved revised CCS and the conditions of consent, the conditions will prevail.

Also, please make the revised CCS and this letter available for public access on the project website at the earliest convenience.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely
