Dear Mr Yiend

**Moorebank Intermodal Precinct East – Stage 2 (SSD 7628)
Construction Noise and Vibration Management Plan**

I refer to your submission dated 2 November 2020 requesting the approval of the Construction Noise and Vibration Management Plan (CNVMP), Revision 15, dated 30 October 2020 which was submitted under Condition B68 and B77 of SSD 7628.

The Department has carefully reviewed the CNVMP and is satisfied that the document:

- has been reviewed by SMITA and no issues have been raised
- has been prepared to address the requirements of the condition of consent.

As nominee of the Planning Secretary, I approve the CNVMP (Rev 15, dated 30 October 2020) under condition B68 and B77 of SSD 7628.

Further, if there are any inconsistencies between approved documents and the conditions of consent, then the requirements of the conditions of consent will prevail.

Please ensure that the approved plan is placed on the project website. If you wish to discuss the matter further, please contact Lee McCourt on 8289 6969 or Lee.McCourt@planning.nsw.gov.au.

Yours sincerely
