Dear Warren

**Re: Westmead Hospital – Central Acute Services Building (CASB)
S96 ESD Implications**

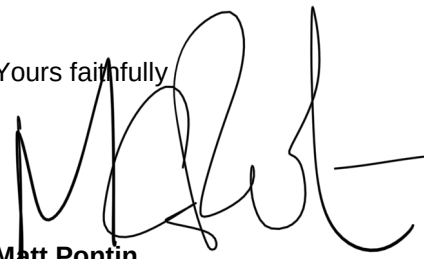

EMF Griffiths have been engaged by Multiplex as ESD consultants on the above project.

As per your request, we have reviewed the Architectural Design Statement Version 6.0 dated 16 April 2018.

We can confirm that the proposed Section 96 changes identified in this report and accompanying drawings have no impact on previously reported ESD conclusions and findings.

Should you require any further information please do not hesitate to contact the undersigned.

Yours faithfully
