OFFICIAL

Hi Sherry,

Wind farm applications need to include an Aviation Impact Statement (AIS).

Please refer to the following link to our webpage for the information needed to submit an application: [Developments at and around airports - Airservices \(airservicesaustralia.com\)](https://www.airservicesaustralia.com/developments-at-and-around-airports)

Please note that our process takes approximately 6 weeks to complete.

If you have any further queries, please let me know.

Kind regards,

Richard Tomlinson
