RE: Waste Response – Modification to SSD 7662 MOD 1 (Site 53, 2 Figtree Drive, Sydney Olympic Park)

Dear Annie,

Elephants Foot have reviewed the 'Modification to SSD 7662 MOD 1 plans for Site 53, 2 Figtree Drive, Sydney Olympic Park, dated 30/11/2018, and can confirm that the reduction in the total number of apartments from 698 units to 696 units will not have any adverse impacts on the Waste Management Plan that was previously submitted for this development. No additional bins or equipment will be required.

Should you have any further questions, please don't hesitate to contact me.

Kind Regards,

Jordan Parker
Waste Management Consultant
