NSW GOVERNMENT
Planning
Issued under the Environmental Planning and Assessment Act 1979

Approved Application Notes SSD 7683
granted on the 25 April 2011
Signed [Signature]
Sheet No. 22

A. All Dimensions are in millimetres.
B. Written dimensions take precedence over scaled dimensions. Do not scale this drawing.
C. This drawing is to be read in conjunction with architectural and other relevant drawings and with the Specifications, Conditions of Contract, etc.
D. Contractor must co-ordinate all works as required with architectural, structural, electrical, landscape drawings and specifications.
E. Contractor must check and verify actual conditions and all critical dimensions on site prior to commencement of work. Any discrepancies must be notified immediately to the head consultant.
F. Refer to Architects door schedule for room names and numbers.
G. These drawings are design intent drawings only.
H. Finished colour and material samples to be provided and approved before manufacture by Extrablack, project Architects and client or as agreed.
I. No visible fixings unless noted.

Sign Fabrication

1. Dimensional fabricated computer cut channel letterforms 1mm - 2mm nom. blue black hot rolled steel, 80mm returns, internally welded frame – ensure no buckling of faces. Lettering to look industrial and with natural steel imperfections. Satin clear coat to prevent oxidation on all surfaces.
2. Nepean Building Mesh – Small Diamond SD0912 expanded galvanised metal mesh. Colour to be determined following prototype test – galvanised or black colour. www.nepean.com. Mesh set back 10mm from front face
3. Opal acrylic diffuser suitable for internal illuminated lightboxes set behind mesh, thickness tbc to ensure no flex in face of sign.

Illumination

4. Warm white internal LED IP65 rated GE LED strip or approved. Provide sufficient LED to ensure letters glow evenly and are legible. No hot spots.

Conceal power cabling through pins and structural fixings. Conceal transformer adjacent and accessible in concealed location. Timer and dimmer required.

Colours

Black steel (natural colour)
