Dear Ms Singh

I refer to your submission dated 6 February 2024 to the Department of Planning, Housing and Infrastructure (the Department) regarding the Rushes Creek Poultry Production Farm (SSD-7704).

I understand you are seeking the Planning Secretary's approval of the revised Operational Environmental Management Plan (OEMP) and sub-plans pursuant to Condition C8 of Schedule 2 of the consent. I also acknowledge your response to the Department's review comments and request for additional information.

The Department has carefully reviewed the submitted documentation and concludes it adequately addresses the requirements of the relevant conditions of consent.

Accordingly, as nominee of the Planning Secretary, I approve the following revised plans:

- Operational Environmental Management Plan prepared by SLR Consulting Australia, dated 5 September 2024, rev 2.2
- Aboriginal Cultural Heritage Management Plan prepared by OzArk Environment & Heritage, dated 2 August 2024, version v3.7
- Air Quality Management Plan, prepared by Astute Environmental Consulting, dated 28 June 2024, version R1-6
- Emergency Disposal and Biosecurity Strategy, prepared by SLR Consulting Pty Ltd, dated 28 June 2024, version v2.0
- Operational Driver Code of Conduct prepared by SLR Consulting, dated 26 June 2024, ref 620.30288-R02-v3.0

You are reminded that if there are any inconsistencies between the OEMP and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.
