**Moorebank Intermodal Precinct West - Stage 2 (SSD-7709)  
Revised Operational Emergency Response Plan, Condition A42(c)**

Dear Mr Johnson

I refer to the revised Operational Emergency Response Plan (OERP) submitted to the Planning Secretary under condition A42(c) of SSD-7709.

I note the revised OERP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been updated due to the comments received from the Commonwealth Department of Climate Change, Energy, the Environment and Water (DCCEEW) because of review and approval of the Operational Environmental Management Plan for MPW Stage 2;
- was endorsed by the project's Environmental Representative as being consistent with the relevant consent requirements; and
- contains the information as per condition B194.

Accordingly, as nominee of the Planning Secretary, I approve the revised Operational Emergency Response Plan, Revision 07 dated 30 May 2024, under condition A42(c) of SSD-7709.

Please note that if there are any inconsistencies between the approved revised OERP and the conditions of consent, the conditions will prevail.

Also, please make the revised OERP and this letter available for public access on the project website at the earliest convenience.

If you have any questions, please contact Matt Wood at [matthew.wood@dpie.nsw.gov.au](mailto:matthew.wood@dpie.nsw.gov.au).

Yours sincerely
