Moorebank Intermodal Precinct West - Stage 2 (SSD-7709)
Revised Operational Environmental Management Plan, Condition A42(c)

Dear Mr Johnson

I refer to the revised Operational Environmental Management Plan (OEMP) submitted to the Planning Secretary under condition A42(c) of SSD-7709.

I note the revised OEMP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been updated due to the comments received from the Commonwealth Department of Climate Change, Energy, the Environment and Water (DCCEEW) because of their review and approval of the OEMP for MPW Stage 2;
- was endorsed by the project's Environmental Representative as being consistent with the relevant consent requirements; and
- contains the information required by conditions C1 and C5.

Accordingly, as nominee of the Planning Secretary, I approve the revised Operational Environmental Management Plan, Revision 07 dated 6 May 2024, under condition A42(c) of SSD-7709.

I remind you to operate the development in accordance with the approved OEMP, as revised and approved by the Planning Secretary from time to time as per condition C7(b).

Please note that if there are any inconsistencies between the approved revised OEMP and the conditions of consent, the conditions will prevail.

Also, please make the revised OEMP and this letter available for public access on the project website at the earliest convenience.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely
