**Moorebank Intermodal Precinct West - Stage 2 (SSD-7709)
Revised Construction Emergency Response Plan, Condition C9**

Dear Mr Johnson

I refer to the revised Construction Emergency Response Plan (CERP) submitted to the Planning Secretary under condition C9 of SSD-7709.

I note the revised CERP:

- was reviewed by the Applicant, and no issues were raised to the Department;
- has been updated due to annual review and Modification 3 determination;
- was endorsed by the project's Environmental Representative as being consistent with the relevant consent requirements; and
- contains the information required by condition B194.

Accordingly, as nominee of the Planning Secretary, I approve the revised Construction Emergency Response Plan, Revision K dated 18 November 2024, under condition C9 of SSD-7709.

As the revised CERP has also been prepared for Moorebank Intermodal Precinct West - Stage 3 (SSD-10431) as per condition B19, I remind you to submit the revised CERP separately to the Department under the relevant consent condition for SSD-10431.

Please note that if there are any inconsistencies between the approved revised CERP and the conditions of consent, the conditions will prevail.

Also, please make the revised CERP and this letter available for public access on the project website at the earliest convenience.

If you have any questions, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely

Shiraz Ahmed

Team Leader - Social Infrastructure Projects
