Subject: Long Term Environmental Management Plan

Dear Mr Robinson

I refer to your request dated 21 December 2022, requesting approval of the revised Long Term Environmental Management Plan (LTEMP) in response to Condition C8 of Schedule C of SSD-7831.

The Department has reviewed the revised LTEMP and information provided and is satisfied that it addresses Condition C8. The planning secretary therefore approves the following:

- Long-Term Environmental Management Plan, Arsenic Remediation Program, Orica Kooragang Island – Revision 1A, (reference: 1810662-019-R-Rev1A), prepared by Golder and dated October 2021.

You are reminded that if there are any inconsistencies between the LTEMP and the conditions of approval, the conditions prevail.

If you wish to discuss the matter further, please contact Rebecka Groth on telephone number 02 8275 1723 or email at Rebecka.Groth@dpie.nsw.gov.au

Yours sincerely
