Change of Proponent – Bannaby Battery Energy Storage System

Dear Pragya,

We are writing to notify the Department of Planning, Housing and Infrastructure of a change in Proponent for the Bannaby Battery Energy Storage System (SSD-78810458) (the **Project**.)

The Project was initiated by the then Penso Power Australia, now BW ESS Australia, who lodged the request for the Planning Secretary's Environmental Assessment Requirements (SEARS) in December 2024. At that time, the Proponent was identified as The Trustee for Bannaby Unit Trust. The change in Proponent reflects internal administrative arrangements for the delivery of the Project.

The details of the Proponent for the Project are as follows:

Bannaby Unit Holding Pty Ltd
ACN 677 023 611
c/- BW ESS Australia Pty Ltd
Suite 1, Level 5, 33 Stewart Street
Richmond, Victoria 3121

The Project team and Proponent can be contacted via toll free number at 1800 810 680, or directly via the details below if there is any further information that can be provided.

Regards,
