Dear Mr Coomar

**RE: Heritage Council comments on Response to Submissions for Concept Proposal and Stage 1 Development Application at Loreto Kirribilli, 85 Carabella Street, Kirribilli (SSD 7919).**

I refer to your letter dated 26 February 2018 inviting comments on the above State Significant Development (SSD) for the concept proposal and Stage 1 development application at Loreto Kirribilli.

The following report has been reviewed:

- Loreto Kirribilli State Significant Development Application, Response to Submissions (RTS), prepared by ethos Urban, dated February 2018

Loreto School is not listed on the State Heritage Register (SHR) nor is it in the immediate vicinity of any SHR items. Consequently, no specific comments were offered for built or landscape heritage in the previous submission made by the Heritage Council.

It is noted in Appendix A of the RTS that the applicant, Loreto Kirribilli, would be willing to accept all the recommended conditions of consent relating to archaeology that were recommended by the Heritage Council. The Heritage Council considers this appropriate and accordingly, has no additional comments at this time.

If you have any questions regarding the above advice, please contact James Quoye, Heritage Assessment Officer, Heritage Division, Office of Environment and Heritage, at email: [james.quoye@environment.nsw.gov.au](mailto:james.quoye@environment.nsw.gov.au) or on telephone: 9873 8612.

Yours sincerely
