Dear Minister Roberts *Anthony*

I would like to make a representation on behalf of a constituent of mine, Mr Gregory Clifford of 9/111 Carabella St Kirribilli NSW 2061, regarding the proposed development at Loreto School.

I am enclosing for your information a copy of the letter I received in this regard.

Your consideration of Mr Gregory Clifford's concerns would be appreciated.

I look forward to your advice in due course.

Yours sincerely

Subject: LORETTO EXPANSION.

Greetings.

I am writing to express my anger at what Loretto are trying to do Kirribilli. I am a unit owner who will be profoundly effected by this ongoing suburb changing mass development. Kirribilli is a beautiful niche suburb & a gem Sydney which is being changed forever with mass construction of soulless units. How will residents endure years of excavation & construction & traffic while Loretto make the neighborhood unliveable so teenage girls who do not live in the area get a better view of the harbor while in class? What about the rights of locals? We wont be able to live there, we wont be able to rent it & we have a new born. What are we supposed to do during ongoing construction and then the increased traffic to streets that are already gridlocked certain hours of the day? Greed is destroying Sydney & this school already has ridiculous funding which should be used on education, not turning themselves into a luxury resort. My neighbors are terrified & disgusted by what's happening & openly discuss it in the streets. We have lodged a complaint with the council but know this has become a battle no just for ourselves but for Kirribilli.

I look forward to your reply.

Greg
