Subject: Notice of Exhibition - Redevelopment of Loreto School (Concept and Stage 1) (SSD 7919)

Dear Aditi

After reviewing the relevant documents, OEH's Greater Sydney Planning Team has concluded that the matter does not contain biodiversity, natural hazards or Aboriginal cultural heritage issues that require a formal OEH response. We have no further need to be involved in the assessment of this project.

Please note that the Heritage Division in the Office of Environment and Heritage may wish to provide separate comments.
