Dear Ms Johnstone,

**Loreto School Staged Redevelopment (SSD 7919)
Operational Transport and Access Management Plan, Conditions A19 and A20**

I refer to the Operational Transport and Access Management Plan (OTAMP), Version 2.4 dated 30 August 2021, submitted in accordance with condition A20 of SSD 7919. I also acknowledge and thank you for your response to the Department's review comments.

I note that the OTAMP:

- has been reviewed by the Applicant and no issues have been raised;
- has been prepared in consultation with North Sydney Council;
- contains the information required by conditions of consent; and
- has been submitted to the Department after the completion of consultation with Council.

As nominee of the Planning Secretary, I approve the Operational Traffic Management Plan, Version 2.4 dated 30 August 2021, in accordance with condition A20 of SSD 7919.

I remind you to implement the approved OTAMP within six (6) months of this approval or prior to occupation of Stage 1 (whichever occurs earlier) as per condition A21 of SSD 7919. I also remind you to place the approved OTAMP on the school website.

Please note that if there is any inconsistency between the approved document and the conditions of consent, then the requirements of the conditions of consent will prevail.

If you have any questions or would like to discuss this matter, please contact Matt Wood at matthew.wood@dpie.nsw.gov.au.

Yours sincerely

Jake Shackleton
Director – Infrastructure Management
