

3 CONTEXT ANALYSIS

The site for the Oran Park School is located within a new and rapidly expanding suburb, Oran Park Town.

The site has the town centre to the east, sports fields to the north and residential areas to the west and south.

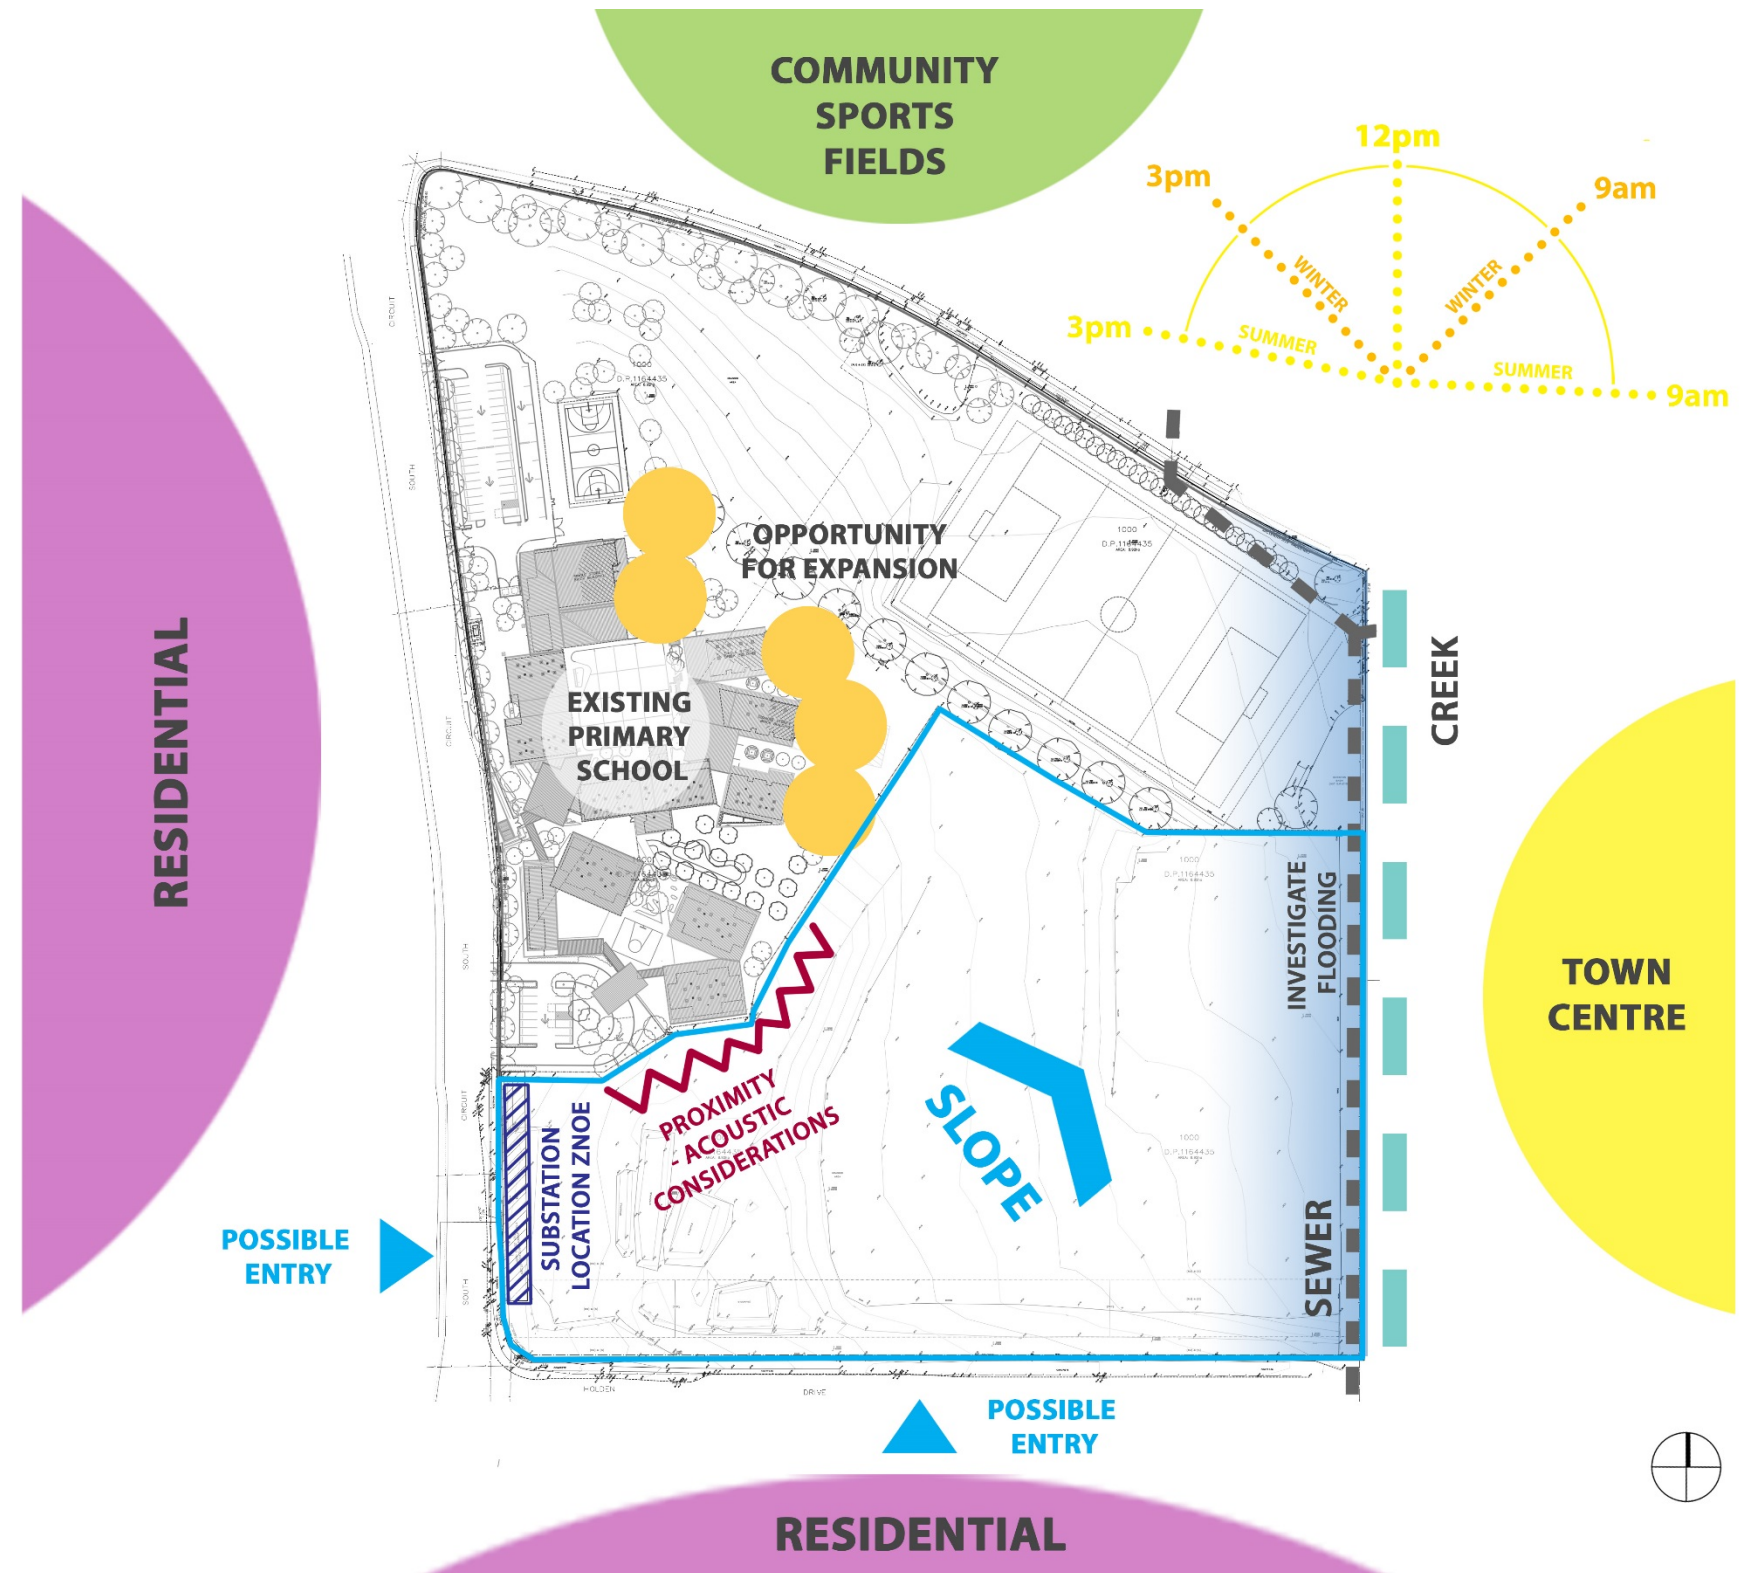

4 SITE ANALYSIS, OPPORTUNITIES AND CHALLENGES

OPPORTUNITIES

- Ability to have K-12 on one site
- Connection to the town centre
- 2 street frontages to create a cohesive streetscape
- Potential to link Public School and High Schools

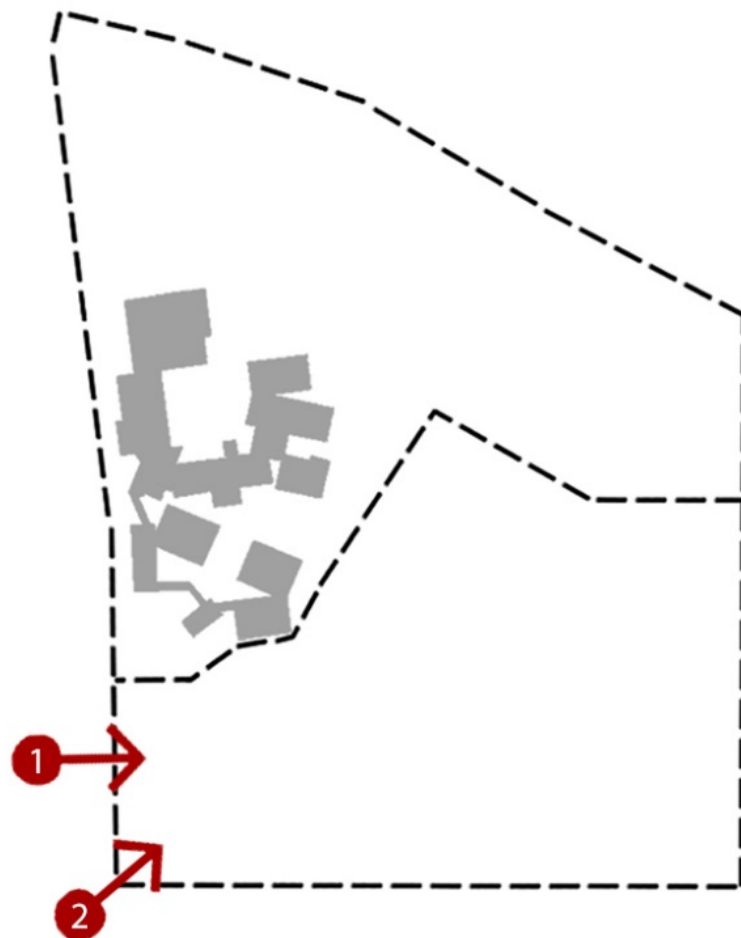

CHALLENGES

- Sloping site
- Proximity of public school
- Sewer main on east boundary
- Sharing of facilities between schools
- Vehicle access and traffic management
- Budget
