1 INTRODUCTION

The Oran Park School is located on the corner of South Circuit and Holden Drive, Oran Park Town. The site is a green field and includes the existing Oran Park Primary School, which itself is expanding.

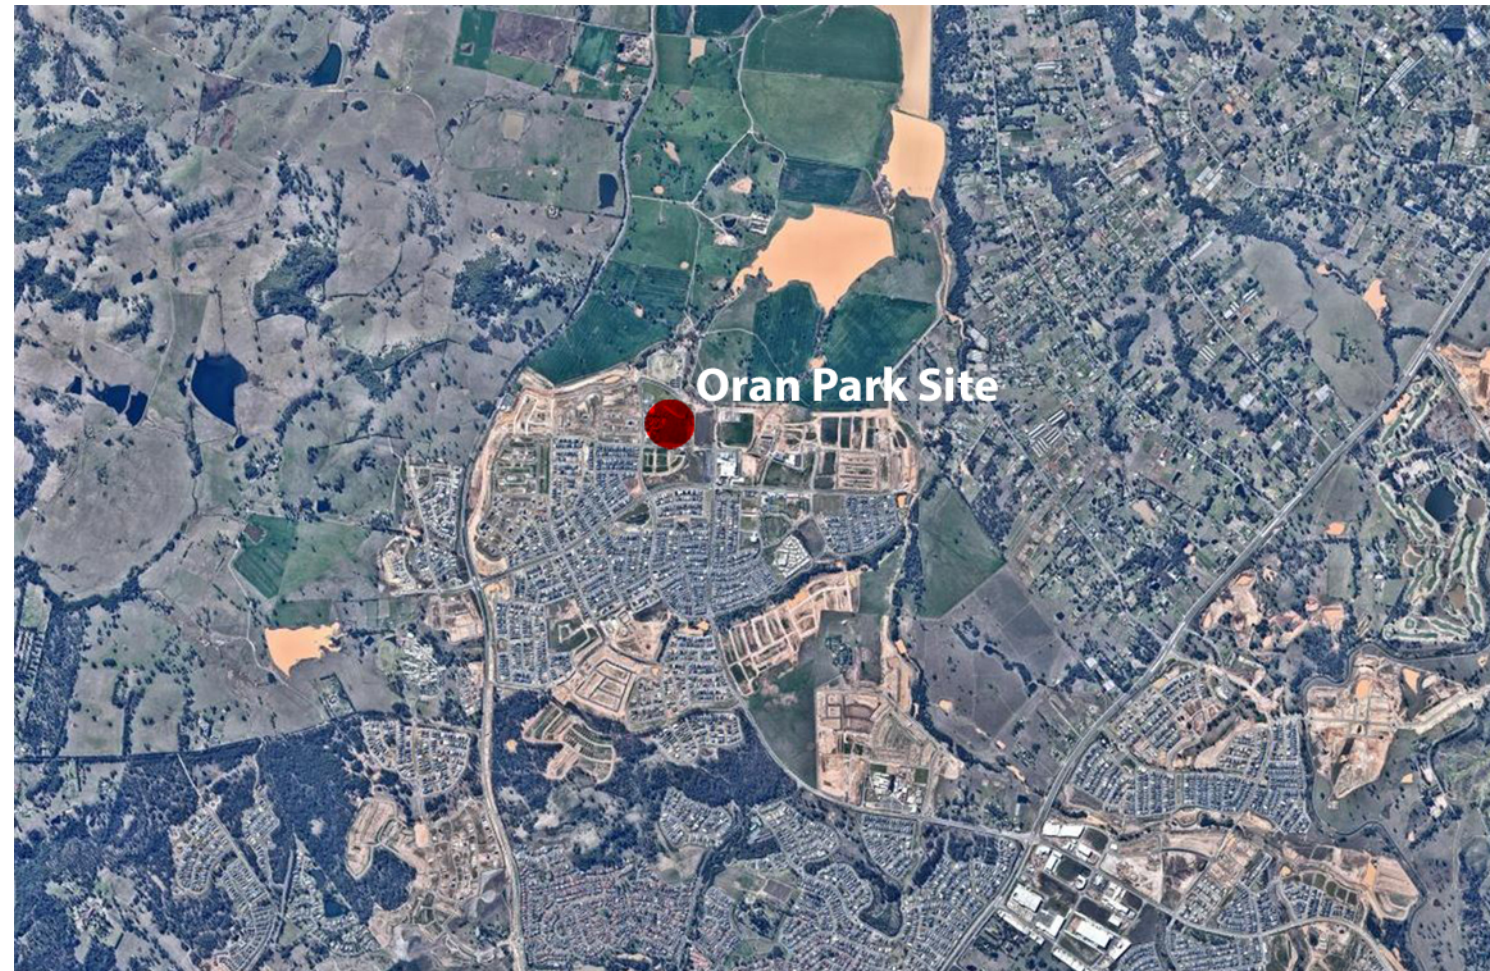

The school is designed to meet the growth in South West Sydney area. The new Oran Park High School will accommodate up to 2,000 students while the Primary school will be expanded to accommodate up to 1,000 primary students, in new teaching spaces within facilities that are technology rich and are configured to create a knowledge building environment.

2 ORAN PARK TOWN MASTERPLAN

The school site is located within the Oran Park Town Masterplan

Oran Park Town is always evolving. Images and information contained in this brochure are indicative only and are subject to change, relevant approvals and construction. Purchasers must make and rely on their own enquiries. Correct as at June 2015.

The area to the north of Dick Johnson Drive is undergoing a major design review and is subject to change.
