Good morning Adam,

Thank you for your enquiry regarding the submission of a development application to Airservices.

Given the site's proximity to Bankstown aerodrome, please liaise directly with the aerodrome operator regarding their development application process.

Following an initial review, the operator may refer the proposal to Airservices for assessment of potential impacts on Procedures for Air Navigation Services – Aircraft Operations and Communication, Navigation, and Surveillance systems.

Please feel free to reach out to our team if you require any additional information.

Thanks and Regards,
