- 3.5_lower wakil detailed plan
- 3.6_lower wakil elevation
- 3.7_lower wakil sections
- 3.8_north eastern connections
- 3.9_northern facade detail plan
- 3.10_northern facade elevation
- 3.11_northern facade sections
- 3.12_north western connections
- 3.13_western facade detail plan
- 3.14_western facade sections

3.15_upper wakil programme

3.16_upper wakil detail plan

3.17_upper wakil sections

3.18_water - engaging the senses

MATERIALITY

- 4.1_material strategy
- 4.2_material strategy

PLANTING DESIGN

- 5.1_vegetation management plan
- 5.2_planting character
- 5.3_planting palette - shade tolerant
- 5.4_planting palette - sydney turpentine ironbark

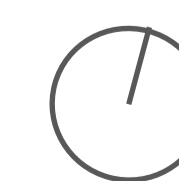

1.1_SITE UNDERSTANDING_REGIONAL CONTEXT

The University of Sydney is an inner-city university campus in Sydney, New South Wales, Australia. It is located 3km south west of the Sydney CBD and is part of the local government area of the City of Sydney. It is bordered by Newtown to the south, Glebe to the north, Camperdown to the east and Redfern and Central stations to the west.

1.2_SITE UNDERSTANDING_LOCAL CONTEXT

The site is situated to the south of Sydney University Cricket Ground and the east of Royal Prince Alfred. Road connections made to the site include Lambie Drew Drive to the west, Western Avenue to the east and Cadigal Lane to the South. The site is primarily home to Sydney University's Medical School, who house the Blackburn, and adjacent Bosch building.
