Input to SEARs – State Significant Development

Proposal: Bookham Wind Farm

Major Project reference: SSD-79885459

Received: 10 February 2025

Dear Mrs Watson,

Thank you for your referral dated 10 February 2025 inviting SEARS input from the Heritage Council of NSW on the above State Significant Development Bookham Wind Farm (SSD-79885459) proposal.

The subject site is not listed on the State Heritage Register (SHR), nor is it in the immediate vicinity of any SHR items. Further, the site does not contain any known historical archaeological relics. Therefore, no heritage comments are required. The Department does not need to refer subsequent stages of this proposal to the Heritage Council of NSW.

As the site contains a local heritage item, and other local items are in the vicinity, you should seek advice from the relevant local council.

If you have any questions about this correspondence, please contact Aimee Lee, Business Support Officer at Heritage NSW on (02) 9873 8500 or heritagemailbox@environment.nsw.gov.au

Yours sincerely

Nicole Davis
