

This aerial map of Taronga Zoo provides a detailed overview of its layout and surroundings. The zoo's perimeter is defined by a red dashed line. Two primary habitats are highlighted: the Savannah, shown in yellow, and the Congo, shown in green. The African Waterhole is marked with a red circle within the Congo habitat. Key facilities include the Car Park and Overflow Car Park, both with orange arrows indicating entry points. The map also shows the Taronga Function Centre, Taronga Concert Lawns, and the Taronga Zoo Wharf. Surrounding streets such as Rickard Avenue, Whiting Beach Road, Simpson Street, Prince Albert Street, Bradleys Head Road, and St Elmo Street are labeled. The map includes geographical features like Sirius Cove Reserve, Little Sirius Point, and Secret Beach, as well as the Sydney Harbour. A compass rose in the bottom left corner indicates North (N). The map is overlaid with a grid of latitude and longitude coordinates.
