Dear Iwan

Amendment of the Development Area for Limondale Solar Farm

Limondale Sun Farm Pty (SSD 8025) is seeking to amend the proposed development area from the previously submitted 1100Ha on map with reference 'EIS021_SiteFeatures_20170828_02_DPE' to an updated development area of 1025Ha with map reference 'EIS021_SiteFeatures_20170829_04_DPE'

This amended development area has been assessed within the EIS and will provide no additional environmental impact, including; the removal of vegetation, cultural heritage, noise, visual & traffic.

The amended development area is 1025Ha which is a reduction of 75Ha from the originally submitted 1100Ha. The 25Ha area above the transmission line that is shown as part of the development area will be used for a management hub / laydown area.

Please see the map 'EIS021_SiteFeatures_20170829_04_DPE' for the amended plan showing the 1025Ha Development Footprint.

Sincerely
