Dear Mr Huber

**Limondale Solar (SSD-8023)
Cultural Heritage Management Plan**

I refer to the revised Cultural Heritage Management Plan which was submitted in accordance with Condition 20 of Schedule 3 of the Condition of Consent for the Limondale Solar.

The Department notes that the document has been revised following an unexpected find at the site.

The Department has carefully reviewed the revised document and is satisfied that it generally meets the relevant conditions.

Accordingly, the Planning Secretary has approved the Cultural Heritage Management Plan (Revision 02, dated 9 March 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please Charissa Pillay on 02 99955944.

Yours sincerely
