RE: OBJECTION TO THE PROPOSED DEVELOPMENT OF 201 ELIZABETH STREET, SYDNEY

I We wish to object to the proposed development of 201 Elizabeth Street, Sydney for the following reasons:

[STATE YOUR REASONS BELOW]

I am currently living on the West side of the building but am moving to the East so I will be particularly affected. Despite trees and even prior to this - the noise and the resulting physical pollution will be a significant impact of this development.

The noise, the dust and the reduction in the views, as well as the unsightly construction will result in significant reduction in property values for an extended period of time.

I strongly oppose this development - my asthma and other health impacts of the developments and the reduction in the sun resulting from the blocking building will be strongly negative.

Paul Mahuga
