Dear Mr Ahmed,

Lindfield Learning Village Phase 2 and 3 - SSD 8114: Condition of Consent B8 – Request to alter the timing for registering for Green Star Certification Rev 2

In addressing Condition B8 of the Lindfield Learning Village development consent, School Infrastructure NSW (SINSW) is seeking the Secretary's agreement to alter the timing for SINSW to register for a 4 star Green Star rating with the Green Building Council of Australia (GBCA).

A supplementary request to seek the Secretary's approval for the Sustainable Schools Certification Scheme has been lodged to the Department on 7 August 2020. SINSW will seek the Secretary's approval to adopt the alternate Scheme for this project upon acceptance of the Scheme.

It is requested that one additional month from the date of this letter be granted to allow sufficient time to obtain the Department's approval of the Scheme and to submit an application to apply the Scheme to this project.

Should you have any queries regarding this correspondence or require any further information on this matter please contact Gavin Ng, Principal Compliance Officer on 0409 596 887.

Yours Sincerely,

Pete Krause
Project Director
