Dear Mr Ahmed,

Lindfield Learning Village Phase 2 and 3 – SSD 8114: Condition of Consent A13 and A32 – Project Review of Strategies, Plans and Programs

I refer to the Lindfield Learning Village Phase 2 and 3 development which was approved on 12 November 2020.

The following document has been updated to improve the environmental performance of the development following a review of the project's strategies, plans and programs. The Planning Secretary was notified of a review as per the requirements outlined in Condition of Consent (CoC) A31 on 18 March 2021.

- Construction Noise and Vibration Management Sub Plan, revision 4 dated 10 March 2021. This document was originally submitted under CoC B14.

The updated document has been submitted to the Planning Secretary and Certifier for information within six weeks of the review.

The project team has completed the review with no further changes identified to the current strategies, plans and programs approved under this consent.

The Project therefore believes it has fulfilled its requirements under Condition of Consent A32.

Yours sincerely
