Dear Mr. Lewis,

Lindfield Learning Village (SSD-8114)
Request to cease Community Consultative Committee (CCC), Condition D36

I refer to your correspondence dated 25 March 2022 requesting the Planning Secretary to cease the continuing function of the Community Consultative Committee (CCC) for the Lindfield Learning Village in accordance with condition D36, Schedule 2 of the consent for the Lindfield Learning Village (SSD-8114).

I note the project CCC exercised its functions in accordance with the Department's *Community Consultative Committee Guideline: State Significant Projects* (January 2019).

I also note that the CCC is no longer required following completion of Phase 2 and Phase 3 of the project with no new key issues identified that have the potential to cause major economic, social or environmental impacts.

The CCC Independent Chairperson, Ms Abigail Goldberg, has resigned from the role and will perform her final session as a Chairperson on Thursday 28 April 2022.

In consideration of the above, I end the three years mandatory timeline for the Operations CCC and approve the Applicant's request to cease operation of the CCC, after 28 April 2022, in accordance with condition D36 for the Lindfield Learning Village (SSD-8114).

You are reminded to comply with all post occupation requirements as stated in the project Development Consent.

If you have any questions or wish to discuss the matter further, please contact Tom Scoble at Thomas.scoble@dpie.nsw.gov.au.

Yours sincerely
